PEANUT BUTTER COOKIES

Makes about 14 cookies

Ingredients

- 1 large egg
- 3/4 cup powdered sugar
- 1 teaspoon vanilla extract
- 1 cup peanut butter
- 1/2 cup chocolate chips

Instructions:

- 1** Preheat the oven to 350 degrees F. Line a baking sheet with parchment paper.
- 2** In a large bowl, whisk together egg, sugar and vanilla. Add peanut butter and stir until combined. Add chocolate chips and stir again.
- 3** Using your hands, roll dough into tablespoon-sized balls. Place on the parchment-lined baking sheet about 2" apart. Gently press the tops of each ball with a fork to form a crosshatch. Top with a few flakes of sea salt if desired.
- 4** Bake cookies for 10 minutes. Let cookies cool on baking sheet for a few minutes, then transfer to a wire rack and cool completely.
